Fund a Life

Igniting Hope Through Funding Lives

Our Story

My name is Mark Howell, and I founded **Fund a Life** after my own life was funded. After receiving **a stage 4 cancer diagnosis** 2 weeks after my first child was born, **my community rallied around me** to raise over $200k for my family and I to go outside the means restricted by our insurance.

This support allowed me to **defy all odds** every doctor laid out for my life, and **to still be here over a decade later.**

Our Mission

We are **igniting hope through funding lives**. My THANK YOU to everyone who helped my family comes through my dedication to **raising money year-round**, so that more lives will **receive hope in the form of funding**.

Local Focus

We accept grant applicants **throughout Michigan**.

Who We Help

We provide grants for **individuals & families facing major, life-altering circumstances of all kinds**, including illness & medical needs, house fire, unexpected loss, birth complications, and more.
